Dear parent/carer

Albert Park Primary School is looking forward to another great year of teaching and learning and would like to advise you of Albert Park Primary School's voluntary financial contributions for 2024.

Government Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all this support, whether that's through fundraising, donations or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Your financial contributions assist us with the purchasing of art, music, STEM and physical education equipment and resources, which in turn, supports them to be exemplary programs in addition to our teaching of the traditional subjects such as Literacy and Numeracy. We have also ensured we have sufficient supplies of ipads and Chromebooks within our classrooms.

All contributions will now be listed and payable via Compass. Please do not hesitate to contact the office if you need assistance.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Katrina Mildner
Principal

Amy Guy
School Council President
